

Requirements

Every potential partner has to meet our requirements some key aspects before to become an eCampus Affiliate.

The school's mission and educational values

We require that:

1. The school has a clear mission statement that makes reference to its educational values.
2. The culture of the school is learner-centred and supports students and teachers to become confident, responsible, reflective, innovative and engaged.
3. International awareness and global perspectives are promoted through the curriculum and other activities.
4. Relationships between staff and students are positive, demonstrate mutual respect, and the school has established and consistent expectations of behaviour.

School management and leadership

We require that:

1. The school principal is suitably qualified and experienced in educational leadership.
2. The senior management team and the governing body demonstrate clear goals for the successful introduction of eCampus degrees and can evidence planning to support effective implementation.
3. Senior staff are committed to setting targets for school improvement and staff development, supported by well-designed performance review and self-evaluation.
4. There is effective and transparent management of school budgets.

Quality of teaching and learning

We require that:

1. The school is appropriately resourced with sufficient staff employed in management, teaching and support roles.
2. Tutors have appropriate qualifications to support students successfully.
3. The school has a clear policy to address the language needs of learners.

The physical environment of the school

We require that:

1. The school premises create a positive learning environment for students.
2. Secure storage arrangements for question papers and other examination materials comply with our regulations.
3. Appropriate facilities that comply with our regulations for accommodating examinations have been identified.
4. A good understanding of the Centre responsibilities set out in the eCampus Student's Guide and Handbook.

Legal requirements

1. Government approval to operate.
2. Health and safety policies in line with government requirements.
3. First aid provision in line with government requirements.
